# IAWAH

Confirmation Package 2011

The purpose of IAWAH is to plant seeds of faith, nurture disciples, and cultivate leadership. We create a high quality experience where guests are welcomed, inspired and meet Christ.

Sunday, July 31, 2011 - Arrive 3:00-4:00 pm  
Saturday, August 6, 2011 - Departure beginning at 10:30 am

## Summer Splash Campers

We are very happy that you have decided to join us for Summer Splash! The program is designed to provide a balance of organized activities and free time. Some of the activities that you can anticipate include: challenging, age-appropriate Bible studies, outdoor pursuits such as water-skiing, the high ropes challenge, and fun, family-oriented evening programs. You are welcome to participate in as much or as little of the program as you like.

## Host Family

For 2011, Alain and Shannon Landriault will be returning as the host couple. As hosts their role is to help families to feel welcome, comfortable and informed. You can expect a letter from them to fill you in on some of their special plans. The Landriault's have been IAWAH family campers for many years and even served full-time on staff as head cabin leaders a few years ago. They are currently involved in ministry at Sequoia Community Church in Ottawa. They have two great children Emilie (10) and Nicolas (8). The Landriaults are really looking forward to serving in this role and look forward to meeting new friends and re-connecting with old ones as well!

*"There is a priceless feeling of security at IAWAH. A lot of fun gets packed into every week. I was impressed with the quality on every level."*

## Saturday's Departure

After our final breakfast, Summer Splash ends with a brief closing worship service at 9:30am. Feel free to stay a little longer and play on the beach, however, check-out time for the rooms and cabins themselves, is between 10:30 to 11:30am. Refreshments (coffee, juice, fruit, muffins) will be served outside Lower IAWAH prior to departure.

## Meals

All of your meals will be provided by our excellent cooks and served by our dedicated staff. If anyone in your family has any special food need or allergy, please alert the office prior to your arrival. All you will need to do is get to the meals on time. A seating plan, developed by our Dining Room Host ensures that everyone has an opportunity to enjoy the company of a number of different adults and families throughout the week. Approximately 15 minutes before each meal, a bell is rung to remind you that it is time to make your way to the Dining Hall.

## Correspondence

If anyone should need to reach you while you are at camp, the following contact information may be provided:

Phone: Messages may be left with the office at 613-273-5621

Faxes: Can be sent to 613-273-3487

Cell phones can be quite unreliable on Camp property. Each of our lodges is equipped with a courtesy telephone for local calls (including Kingston). Long distance calls can be made collect or with the use of a calling card. Wireless internet service is available in IAWAH Lodge. Please bring your own laptop, if you would like to use this service.

## Medical Treatment

Families are responsible for their own medical care. There is a pharmacy in nearby Westport should you need any supplies, but we would recommend that you bring a basic first aid kit to camp. In the event that you require emergency medical treatment, we do have qualified first aiders and some medical supplies on site.

## Kiddie Patrol

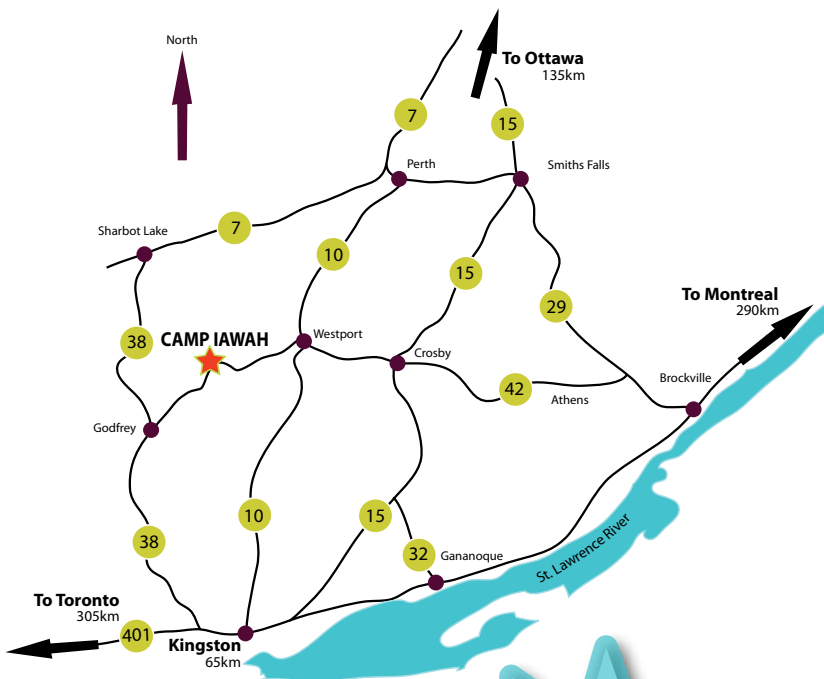

In an effort to free adults to participate in the evening program, assigned Staff will patrol the cabins and lodges to ensure that young children are content. Parents can sign up for this service each evening.

## Pictures

A CD of pictures will be available for purchase at the end of the week.

## The Tuck Shop

The Tuck Shop stocks IAWAH clothing, souvenirs, and a variety of junk food. Campers have access to the Tuck Shop every day. Tuck accounts can be set up using cash, credit card, debit card or cheque. Don't forget to check out this year's IAWAH accessory line including t-shirts, hoodies, hats, water bottles, and more.

## Prime Time

Prime time is a wonderful opportunity to learn and grow in the Christian faith. Each day after breakfast, we get together to sing songs of praise and to participate in age-appropriate Bible studies. Nursery is provided for the youngest. Children gather in the gymnasium for lively worship and teaching. We are blessed to have the experienced Jen "Zap" Zwiers to lead the children's sessions. Teens participate in a bible study and some social/recreation times during the week.

## About our Adult Speakers – Cameron and Sandra Jeffs

Cameron's spiritual heritage began in Kingston almost 30 years ago when his mom had a life changing encounter with Christ. That decision changed her and forever altered the destiny of her children. In 1997 Cameron had his own experience with God that revolutionized his life. Through this experience he felt a strong leading to pastor God's people. Cameron is a fun loving guy who loves God, loves people and wants to make a difference in this world. His biggest joy is to see ordinary people living extraordinary lives for God.

Sandra comes from a family whose roots are deeply Christian. Sandra was born on the mission field in Tanzania to Finnish missionaries, raised in Sweden, married a Canadian and has been on missions trips to over 35 countries since her teenage years. She is passionate about worship, reaching people with God's love, teaching the Word of God, being a mom, and releasing others to fulfill their God-given dreams.

Sandra and Cameron met and married at Oshawa Community Church (OCC). Involvement in this community built a strong foundation for ministry and led to their call to plant a church in Kingston. IMPACT church was founded in 2008, and is affiliated with Minister's Fellowship International (MFI). Cameron and Sandra serve together as lead pastors. They are looking forward to introducing their three children to IAWAH: Josiah, Hannah, Caleb and Gracie.
