

*Guided by God's Spirit and shaped by His Word we have a vision to grow deeply-rooted followers of Jesus who are equipped for God's harvest – wherever they are planted.*

## **Camp Staff Scholarship Program (CSSP)**

We recognize that those serving as summer camp leaders give up higher paying jobs elsewhere in order to serve. IAWAH has created a scholarship program to assist staff with their tuition fees and the costs associated with post-secondary education. We desire to encourage camp staff to pursue their educational goals – while also being able to serve others and develop leadership skills while at IAWAH. We seek investors who believe in encouraging young leaders.

A scholarship is an award of financial aid for a student to further his or her education. Individuals, or organizations, desiring to invest in young people can provide tax-deductible donations toward the CSSP program. The CSSP Allocation Committee uses established criteria to evaluate applicants - and retains control of the disbursements made by August 31st of each year.

## **Criteria for participation in the program:**

- Must be a student – or intend to follow a course of post-secondary education
- All summer staff can participate - if you have fulfilled your staff contract
- Minimum term of service at IAWAH – four or more weeks (including training)
- Must attend a training session on the CSSP program and also share the CSSP Scholarship program with a minimum of five potential investors.

## **For students:**

- Students apply to be a part of the program and earn points for participation
- Students are encouraged to promote the fund and invite investors to contribute – as the more donations received during the year – the greater the scholarships that the program can generate

## **For Investors:**

- Donations can be provided by cheque, credit card or online to IAWAH Christian Ministries, and designated: Camp Staff Scholarship Program (CSSP).
- The program is open to receive donations from April 1 to August 15 each season
- Tax receipts are provided annually for any gift over \$10

CSSP Training sessions will be provided in the spring and during the staff training week in June.

Final scholarships are allocated by August 31st
