

Dear Friends,

This summer I'll be serving on the IAWAH ministry team and working to facilitate life-changing experiences for children and youth. IAWAH's vision is to see deeply rooted followers of Christ developed within a context of outdoor adventure, experiential education and community living.

I've decided to give up higher paying employment elsewhere in order to serve. I am convinced that camping ministry can make a big difference - and also know that I can continue to learn and develop my skills and character. IAWAH has created a scholarship program to assist their staff with tuition fees and costs associated with post-secondary education. The Camp Staff Scholarship Program (CSSP) seeks investors who believe in strategically encouraging young leaders while they serve.

Scholarship awards are granted by an Allocation Committee operated by members of IAWAH Christian Ministries. Staff who participate in the program, fulfill their contract and invite investors will benefit through scholarships. Tax deductible donations are provided to the CSSP Fund by cheque, or credit card. You can use the enclosed response form or contact IAWAH by phone. Tax receipts are provided annually for any gift over \$10.

The CSSP program is open to receive donations from April 1 to August 15 each year. The CSSP Allocation Committee uses established criteria to evaluate applicants. Disbursements are made by August 31st. Thank you for your consideration.
